PERSONAL STATEMENT

I am a Penultimate Software Engineering student at the University of Auckland, with a passion for innovation, problem-solving, and making an impact. I am an understanding person with good communication skills, particularly in team environments. Software engineering is an ever-evolving industry, and I am excited to learn the ropes and be part of a field where continuous learning and adaptation are key to success.

PROJECTS

Auckland Program for Space Systems (APSS)

2024 - Present

- **APSS-2**
 - **Creating test scripts, writing test plans and testing firmware**
Assisted in creating and writing test plans and scripts for the specific hardware on the payload.
- **PSAT (Pico-Satellite)**
 - **Testing, Research and Team Management**
Organised meetings and allocated workload for my team.
Conducted the research into materials, thermal systems and analysis.
Conducted testing of our thermal system for our PSat.

Portfolio Website

2026

- **HTML/CSS**
 - Created my own personal portfolio! Used online documentation, YouTube videos and websites to assist me with building and designing my own portfolio. Very rewarding experience, to be able to see it come to life slowly. <https://navini-creates.netlify.app/>

SOFTENG 281

2025

- **JAVA Projects**
 - Completed 3 projects, utilising important OOP features and design patterns to produce various programs. I learnt how to incorporate features such as maps and graphs, as well as different design patterns.

SOFTENG 206

2025

- **JAVAFX Projects**
 - Worked as part of a team to design and develop a JavaFX-based trial simulation application. Collaborated with team members to translate client requirements into functional and creative features.

WORK EXPERIENCE

Whitcoulls

2022 - Present

- **Retail Sales-Person**
 - Demonstrated strong communication skills when assisting customers with their questions, concerns, and finding and recommending the items they required.
Demonstrated efficient teamwork skills within a fast-paced environment, and assisted my coworkers with questions and concerns they had, with both customer and product knowledge.

LEADERSHIP & VOLUNTEERING EXPERIENCE

Auckland Programme of Space Systems

2025 - 2026

- **PSAT (Pico Satellite) Team Mentor**

Assisting the team in answering inquiries and offering guidance, leading the team to a successful launch.

Women in Engineering Network Engenuity Day

2025

- **Group Lead**

I took part in the annual Engenuity day, where I led a group of students to their workshops and inspired them about life in Engineering at the University of Auckland.

Robogals (UOA)

2024

- **Volunteer**

Participated in a workshop that introduced Sphero-bots to primary-aged children and taught them the concepts of speed.

Botany Downs Secondary College (BDSC)

2023

- **Koru Whanau Lead Student**

Leader of Koru Whanau Service Committee, Camp Lead, hosted weekly Whanau Assemblies.

- **Head Student Librarian**

Leader of Library Displays Team, organised and managed teams, as well as assisted teams with ideas and inspiration on displays for the library.

EDUCATION

University of Auckland

Bachelor of Engineering (Honours) – Software Engineering

2024 - Present

Botany Downs Secondary College

Botany

2021 – 2023
